# WHAT MAKES US DIFFERENT

At Stirling Capital, we pride ourselves on our high level of **integrity** as well as our **selectivity** when choosing our business partners.

We conduct extensive due-diligence on both portfolio sellers as well as potential buyers, and incorporate the latest data security measures, ensuring a safe and secure transaction every time.

Our Executive Team's **extensive market experience** spans three unique points of view: credit issuer portfolio sales, portfolio acquisitions and brokerage sales. This enables us to provide proven portfolio valuation expertise, as well as develop creative sales strategies and flexible process integration to suit your needs.

# SELECTING A PORTFOLIO PARTNER

Choose a Portfolio Sales **Partner** who understands the market and knows the process. Stirling Capital Management can negotiate on your behalf and guide you through the complex range of considerations you will encounter in the distressed portfolio sales marketplace.

By choosing Stirling Capital to conduct your portfolio sales, you can focus on your company's **core competencies** and provide **benchmarks** for your own internal recovery strategies.

At Stirling Capital, we take pride in knowing that our compensation is directly tied to your bottom line. We offer a simple, straightforward fee structure that ensures **transparency** throughout the entire sales process.

Call us to put Stirling Capital's extensive market experience and proven track record of success to work for you today.
